Historical Sketches

MEANING OF "TAKOMA"

The word "Takoma" is of Indian derivation and means "exalted" or "high place" near to the "Great Hunting Grounds." The word was selected as the name of Takoma by Mrs. O. D. Summy when she was invited by Benjamin F. Gilbert, founder of Takoma Park, to suggest a name for the new suburban town.

Mrs. Summy also suggested that the word be spelled "Takoma" so as to avoid confusion with "Tacoma" in the State of Washington, and this suggestion was accepted by Mr. Gilbert. Mr. Gilbert later added the word "Park" to the name and so for many years the finest suburban community of the National Capital has been known as Takoma Park.

TOWN FOUNDED IN 1883

On November 24, 1883, Benjamin F. Gilbert had recorded at Rockville, Md., and Washington, D. C. deeds transferring 90 acres of that part of the Gottlieb G. Grammer farm known as "Rebecca's Choice." This track laid on both sides of the B. & O. Railroad and sections of it were also in the District of Columbia and in Montgomery County, Md. It became the site of Takoma Park. As lots were sold other tracts were purchased by Mr. Gilbert, or other promoters and were added to the area comprising Takoma Park. Actual work of constructing dwellings in the new suburb began early in 1884.

TOWN GOVERNMENT

The town of Takoma Park, Md., was granted a charter in 1890 by the Maryland General Assembly and Benjamin F. Gilbert was its first mayor. Mr. Gilbert was re-elected in 1892 but resigned in a few months and Enoch Maris was elected by council to fill the unexpired term of Mr. Gilbert. In 1894 Samuel S. Shedd was elected mayor and succeeding mayors were John B. Kinnear, Wilmer G. Platt, Stephen W. Williams, James L. Wilmeth, Henry F. Taff, Ben G. Davis and the present incumbent Frederick L. Lewton.

The town charter provides for six members of council, three to be elected each year for terms of two years. The term of the mayor is also two years.

Outstanding services in terms of length of service have been rendered the town by Wilmer G. Platt, who served as mayor from 1906 to 1912 and from 1917 to 1920, and who served as a member of council before becoming mayor; H. Edson Rogers, who served continuously as a member of council for 26 years having been first elected in 1908 and retiring at the end of his term in June, 1932.

Ben G. Davis served the town for 26 years as clerk and treasurer and six years following that long service he was mayor of Takoma Park. Henry F. Taff served the town as councilman and mayor for a total of 17 years and John R. Adams is serving his seventh term as a member of council.

ALTITUDE

Takoma Park lies nestling in the hills and vales 350 feet above the City of Washington. Its majestic oaks and other trees and the beautiful Sligo lend enchantment to other natural advantages found in the community.

Because of the high altitude Takoma Park is a delightful place in which to live, cooler in summer than the hot streets of the city and rigorous winter weather is tempered by the faithful trees which act as protectors against storms and high winds. Takoma Park invariably misses the storms that wreck havoc upon other surrounding communities, including Washington.

Health conditions in Takoma Park are good—much above the average for a place of its size. Plenty of pure air, sunshine, good water and an appreciation by its inhabitants of the value of close relationship with nature help to keep the health of Takoma Park par excellent.

An adequate water system supplemented by a sewer system that covers the community contribute to the safety and comfort of the community and are operated and maintained by the Washington Suburban Sanitary Commission.

Takoma spring—"Old Faithful" is constantly giving out a flow of the purest water obtainable anywhere and is free not only to residents of Takoma Park, many of whom use this water exclusively, but by persons resident in Washington and nearby sections. In droughts and flood seasons Old Faithful pours out its health

giving waters to those who care to partake thereof.

TRINITY EPISCOPAL CHURCH

In the fall of 1887 the Rev. J. Owen Dorsey, an Episcopal Clergyman residing in Takoma Park, Md., held services in his home for the benefit of his neighbors. The number attending increased, services were held in the residences of Mr. Henry A. Cady, Mr. H. P. R. Holt, and others. Eventually Burch's Hall was rented. In 1888-9 the Congregation became a mission of Grace Episcopal Church, Woodside, Md., of which the Rev. Mr. Claiborne was then rector. The Rev. H. Allen Griffith of Philadelphia, Pa., succeeded Mr. Claiborne, continuing the services in Burch's Hall assisted by Mr. Dorsey. Soon Union Chapel, on the site of the present Presbyterian Church, was rented. In this building Bishop Paret of Maryland confirmed the first class presented in Takoma Park. In 1893 Union Chapel was sold to the Takoma Park Presbyterian Church, and the Episcopal Congregation planned the erection of a Church of their own. Mrs. Thornton donated a portion of the Grammer estate for the edifice, selling the rest to the governing body of the Congregation, the present church. In its original, barn-like and roughly finished form, was erected in six weeks, the carpenters assisted by Church members who donated their services. Twenty-five women pulled the tower into upright position with ropes and pulleys. The opening service, largely attended, was held in the Fall of 1893. In 1896 Takoma Parish became independent, the first parish meeting, at which the first Vestry was elected, being held on June 13th of that year. The first Vestry meeting was held on June 20, 1896, at the home of Mr. Henry A. Cady, Senior Warden, the Rev. George H. Johnston, assistant rector of Silver Spring Parish, presiding by invitation. Mr. Johnston accepted a call to Takoma Parish on July 11, 1896. Subsequent rectors were the Rev. Messrs. David Barr, Frederick W. Smith, Christian M. Young (present rector-emeritus), and J. Manly Cobb. The present rector, the Rev. David Cartwright Clark, came to the Parish on Feb. 1, 1932, serving successively as Deacon-in-charge, and Priest-in-charge, becoming rector on June 1, 1932.

TAKOMA PARK PRESBYTERIAN CHURCH

Growing out of the Union Chapel—an interdenominational group of early residents of Takoma Park, whose religious worship and work can be traced to the

late spring of 1888—the Takoma Park Presbyterian Church was organized September 17, 1893, the Rev. George O. Little serving as moderator. There were thirty-five charter members only four of whom are now members of the church: E. E. Blodgett, Mrs. Bertha Weedon, Miss Laura Skinner and Frank E. Skinner. Rev. Arthur M. Little, a son of the first moderator, served as stated supply for the church from the date of organization until the spring of 1895, when on May 29th, the Rev. John Van Ness was called to become the pastor of the church. He was duly installed as pastor on July 3, 1895 and continued in office until September 15, 1902.

The other ministers who have served the church as pastors, with their dates of service, are as follows: Rev. William Hart Dexter, from December 10, 1902 to June 15, 1905; Rev. Thomas Culbertson Clark, from June 6, 1906 to February 13, 1929; and Rev. R. Paul Shearrer, from February 13, 1929 to the present time.

The growth of the church necessitated the building of a new edifice and the present substantial and commodious stone structure was dedicated in the fall of 1923. In the summer of 1930, the interior was completely renovated and Tudor antique glass windows installed, so that to-day the property of the church is in excellent condition. With a communicant membership of 772, the church is the fourth largest in the Presbytery of Washington City. The Church School has an enrollment of 714, making it the third largest school within the bounds of the Presbytery.

The work of the church is well organized. There is a flourishing Woman's Missionary Society and an active Ladies Aid Society. Also, there is a Brotherhood Club and a Brotherhood Bible Class. The young people have two Societies of Christian Endeavor and another group of Light Bearers as well as a Westminster Guild. Troop 33 of Boy Scouts is sponsored by our church. The Church School is organized into six departments and several adult Bible classes. The church has a large hall, with a well-equipped stage and thus affords facilities for the social, dramatic and recreational activities of young and old.

Starting as a Union Chapel, the church has throughout its history welcomed into its membership individuals coming from a wide variety of churches, requiring for membership only a profession of one's faith in Jesus Christ as Master and as Saviour.

SLIGO SEVENTH-DAY ADVENTIST CHURCH

The Seventh-day Adventist institutions located on the Sligo came into existence about thirty years ago. For a time the

workers in these institutions met for divine worship in the Sanitarium. A little later there was formed a regular church organization, known as the Sligo Church of Seventh-day Adventists. This church met for years in the old college chapel. Later, when Columbia Hall was built, the church congregation contributed liberally to its erection with the understanding that this hall would be used not only for college chapel purposes but for the church home.

With the growth of the institutions through the years and with the natural influx of believers, this church has grown until at the present time it numbers over seven hundred members. This church has come to be a strong supporter not only of local religious work but of the work in mission lands. For the year 1932 its members paid into the church treasury \$34,794.00 as tithe. Sixteen per cent of this fund was devoted to the work of foreign missions. The remainder was used to carry forward work in the Potomac Conference. This sum of money does not include \$10,912.00 given by the church Sabbath School for gospel work in heathen lands. In addition, there was given to various other religious and philanthropic endeavors nearly \$10,000 more, making a grand total of \$54,184.00 given by this church for gospel extension work in its various phases.

Elder H. L. Shoup has been the pastor of the church for several years and its prosperity is due in a large measure to his faithful and efficient administration.

SEVENTH-DAY ADVENTIST CHURCH

Takoma Park Seventh-day Adventist Church—Located at Carroll and Willow avenues—was organized on August 21, 1904. Its present church home was built in 1913. B. Franklin Bryan, Ph.D., is the minister, and Eld. Charles S. Longacre is associate minister.

Included in the membership of this church are many ministers who occupy prominent positions at the world headquarters of the denomination here, also many of the employees of the General Conference and of the Review and Herald Publishing Association.

Prosperity has attended the work from the beginning, resulting in a steadily increasing membership. This church contributed a considerable number of its membership to the formation of the Sligo congregation in connection with the Washington Sanitarium and Washington Missionary College, and has recently made another contribution of members to form the church at Hyattsville, Md.

Dr. Bryan, who came here from California, is now in the fifteenth year of his pastorate. During these years the church has made constant progress along all lines.

Missionary giving has increased from \$7,665.12 to \$34,501.90 annually, while the total yearly receipts for all purposes have increased from \$34,899.80 to \$84,616.90.

TAKOMA PARK BAPTIST CHURCH

The Takoma Park Baptist Sunday School was started March 2, 1919, with 39 present. The church was organized June 8th of that year with 34 members, most of them from the Calvary, Petworth and Temple Churches of Washington. For two years meetings were held in the residence of Mrs. Georgie R. Fraser at 664 Highland avenue. In December, 1919, Rev. Thomas Browne was made acting pastor and he served until November 15, 1921, when the regular pastor, Rev. William Earl LaRue, assumed his duties. Mr. LaRue promptly arranged with the Takoma Park Seventh-day Adventist pastor, Rev. B. Franklin Bryan, for the use of their building. Here meetings were held until on April 3, 1924, services were inaugurated in the newly-completed church and Sunday School house at Piney Branch road and Aspen street. This building is dignified, attractive, manifestly a house of worship, and is a credit to the community.

Reports at the annual meeting of May 1, 1933, showed 380 members of the church, 422 members of the Sunday School, and expenditures for the previous year of \$15,296.56. Flourishing branch organizations are the Woman's Missionary Society, Ladies Aid Society, Baptist Young People's Union, and Boy Scout Troop.

The enterprise was projected by the District of Columbia Association of Baptist Churches, and the active work of organization taken over by the Petworth Church. Harry G. Heiges and Mrs. N. L. Dayton of that church were the first Sunday School Superintendent and Primary Department Superintendent of the Takoma Park Baptist Church. The Association gave financial support as was needed for several years. That organization and the Northern and Southern Baptist Conventions jointly contributed 40 per cent of the cost of the permanent building of the Takoma Park Church.

TAKOMA PARK LUTHERAN CHURCH

In the Spring of 1924 under the leadership of Rev. G. E. Lenski, pastor of Grace Lutheran Church, services were conducted in the Takoma Theatre Building.

By February 1925 the work had progressed to the point where an organization was warranted. A constitution having been drawn up and adopted, the following became the charter members:

William F. Fischer, Clarence E. Brooke,

Mrs. C. E. Brooke, Frederic Anderson, Carl F. Geppert, Mrs. Mary Bowles, Earl K. Fox, C. Theo. Schwegler, Mrs. C. T. Schwegler, Charles Tauberschmidt, William Smith, Mrs. Emma Smith, William Stuermann, Sr., Mrs. Louisa Stuermann, William Stuermann, Jr., Miss Elizabeth Stuermann, John Wischhusen, Mrs. Katie Wischhusen, Miss Charlotte Wischhusen, Miss Meta Wischhusen.

The following officers were elected to serve:

Lt. Col. William F. Fischer, President; C. E. Brooke, Secretary; C. Theo. Schwegler, Treasurer; Charles Tauberschmidt, Fin.-Secretary.

A call was extended to Mr. R. G. Steinmeyer, then a student in the Capital University Theological Seminary at Columbus, Ohio. The call having been accepted, Rev. Steinmeyer was installed as the first pastor of the congregation on July 12, 1925.

In the Fall of 1925 the congregation purchased the lot at the corner of Seventh and Dahlia street, N. W. with the view of erecting a chapel.

After plans had been presented and approved ground was broken for the new structure on May 3, 1927.

On October 16, 1927, the members of the congregation were privileged to dedicate their new house of worship.

Since the erection of the chapel the membership of the congregation has increased 400 per cent and they are looking forward to completing the structure of which the present Colonial chapel will serve as the Sunday-school unit.

TAKOMA PARK CHRISTIAN CHURCH

In the summer of 1926 several families of the Disciples of Christ or Christian Church, living in Takoma Park, with membership in Washington churches, met in the Masonic Hall at the corner of Maple and Carroll streets and organized a Bible School. The attendance increased and the interest grew among the Disciples in Takoma to such an extent that the Disciples Missionary Union of Maryland, Delaware and the District of Columbia became interested in the movement. They took up the work and on October 31, 1926 established a church in Takoma Park with forty-one (41) charter members. The church first met in the Seventh-Day Adventist Church and continued using their building until a temporary building was erected on a beautiful lot in North Takoma at the corner of New York and Chicago Avenues. This building was dedicated in May 1930. This temporary building was converted into a semi-permanent building in October 1932 by constructing a basement room for the Bible School.

The church was pastored by Rev. M. Elmore Turner until August 31, 1933, when he resigned to continue his studies at the College of Bible at Transylvania University, Lexington, Kentucky. Rev. C. N. Williams, Secretary of the Disciples Missionary Union is now serving as pastor temporarily until another pastor can be secured. The church now has an enrollment of 110 members.

OUR LADY OF SORROWS CATHOLIC CHURCH

In the Spring of 1930, a small band of Catholic women of Takoma Park interested themselves in the establishment of a Catholic church in Takoma Park. Four of these women, namely Mrs. C. J. Spencer, Mrs. A. L. Reynolds, Mrs. C. B. Osborn and Mrs. H. P. Ware, received permission from the Pastor of Nativity Church, Brightwood, D. C. and from Bishop John McNamara, of Washington, D. C., to take a census of the Catholic population of Takoma Park to determine whether the establishment of a Catholic church would be warranted. The census indicated a sufficient number of Catholics in Takoma Park and the matter was presented to Reverend John F. Fannon, Pastor of the Nativity parish, Takoma Park coming under the jurisdiction of this parish, who gave it his most sympathetic consideration. The result was that the first Holy Mass in the history of Takoma Park was celebrated on Sunday, November 23, 1930, in a temporary chapel at 42 Carroll Avenue, with an attendance of about 150 persons. This chapel was known as the "Catholic Mission." 85 children attended Sunday School. Masses were continued in these temporary quarters for about a year and a half, the attendance gradually increasing until it became necessary to find larger quarters. A site was selected at Ethan Allen and Jackson Avenues, containing about an acre of ground. The contract for the church was awarded in the late Spring of 1932 and the church was completed in July, 1932 and was called "Our Lady of Sorrows" church. Formal dedication took place on Sunday, July 17, 1932 at 4 o'clock P. M. with approximately 500 persons in attendance. Bishop McNamara of Washington, D. C. officiated at the blessing with a large number of prominent Priests assisting. The present congregation numbers about 500 persons and is gradually growing. The first funeral Mass was for Mrs. Anna E. King, a pioneer settler of Takoma Park, held on January 9, 1933 and the first marriage was that of Miss Anna Cavanaugh and Mr. Carl E. De Mello, on Easter Monday, 1933. A splendid choir has been organized under the direction of Mrs. Henry Webb. A Sodality and

Holy Name Society have been organized and about 16 young boys have been trained to serve on the altar.

TAKOMA PARK CITIZENS' ASSOCIATION

The Takoma Park Citizen's Association, composed of men and women from both sides of the Maryland-District line, is 45 years old, and throughout its history has been a considerable factor in the development of the community. It was organized in 1888.

Monthly meetings held on the second Monday (except for a recess in the summer) in the Takoma Park Branch of Washington Public Library, are open to every citizen and all present may participate.

The work is carried on by a staff of officers and committeemen, the following list indicating the character of work performed by the committees: Legislation; Police, Fire Protection, and Safety; Public Utilities; Schools; Streets and Lights; Taxation and Zoning; Town Beautification.

The early activities of this organization resulted in the erection of the District of Columbia grade school at Cedar street and Piney Branch road, the elimination of the dangerous grade-crossing and erection of a subway on Cedar street, the erection of the Branch Library, establishment of street-car facilities to and from Washington, and improvement of those facilities. In recent years the work of the committees on Schools, and on Streets and Lights has been outstanding.

Other organizations have now joined in the work formerly carried on exclusively by the Takoma Park Citizens' Association.

As a result of the work of these civic bodies (including the Takoma Park Citizens' Association), educational facilities have been greatly augmented and senior and junior high as well as grade schools are now within reach of all in this populous section; extensive playground and recreation centers have been developed, scores of street lights have been erected, miles of roadways and alleys paved, grade crossings eliminated (and subways erected) on Van Buren street and Piney Branch road, and transportation to and from Washington increased in volume and improved.

CITIZENS ASSOCIATION OF TAKOMA, D. C.

For many years a citizens association composed of members resident in both Maryland and the District served well the people of Takoma. However, with the rapid growth of the community following the World War, an association to voice

directly the needs and desires of the "vote-less" District residents of Takoma became a necessity. To meet this need the Citizens Association of Takoma, D. C. was organized December 1, 1924 with Charles H. Spencer, President; S. J. Dennis, Secretary; John F. Barghausen 1st Vice President; Mrs. L. B. Burdett, 2nd Vice President; Mrs. W. H. Whittaker, Financial Secretary; and Frank E. Reppert, Treasurer.

This Association has had a steady growth under its Past Presidents Charles H. Spencer, S. H. McCrory, H. W. Whittaker, D. N. Shoemaker and Erwin J. Hibbs and has established an enviable record of service to the community in its relatively short existence. Through its committees it has actively worked for Takoma School, Paul Junior High School and is now working for the Northern High School for this area. It championed and has fostered both the Takoma Playground and the Takoma Recreation Center. On every occasion it has worked to maintain our local high-class residential zoning. Our local streets and highways have been steadily improved on a long time plan not burdensome to home owners. It has worked consistently for modern and efficient utilities giving adequate local service at fair rates. It has always been active in the interests of proper police, fire, and health protection, and is pledged to the banishment of all unsightly places as rapidly as possible. It has at all times stood for full voting rights for citizens of the District of Columbia. It is affiliated with the Federation of Citizens Associations and has always taken an active part in its deliberations, having furnished both a President and a Vice President of that organization. It stands for the fullest cooperation among local organizations for the general community good.

The present officers are W. C. Magathan, President; Will H. Carleton, 1st Vice President; John Meiklejohn, 2nd Vice President; W. H. Youngman, Secretary; T. K. Burrows, Treasurer, and George E. Sullivan and W. C. Magathan, Delegates to the Federation of Citizens Associations.

TAKOMA PARK WOMEN'S CLUB

The Takoma Park Women's Club was founded in September 1913 as the Takoma Park Civic Study Club. This was the outgrowth of a series of porch meetings, held during that summer by a small group of women led by Mrs. C. B. Smith. This group was specially interested in the study of the laws of Maryland and the District of Columbia affecting the status of women and children, and also in the then vital subject—Woman Suffrage. So popular was this study, that a permanent organization was formed in September with an enroll-

ment of forty-eight, who thus became the charter members of the club.

Thus was launched one of the pioneer clubs of Takoma Park, whose activities in promoting the civic, social, and educational welfare of the community, county and state, have extended over a period of twenty years.

Proximity to Washington, and the early affiliation of the Club with the District Federation of Women's Clubs, has afforded the club unusual opportunities to have as speakers for its assemblies men and women of national and international reputation.

In the Spring of 1928, the Constitution was revised and the name changed to the Takoma Park Women's Club, with the object stated to be "to promote any cultural, educational and philanthropic movements which the Club desired."

Under this broadened basis for activities, the club, grown in 1933 to a paid-up membership of 203, is proud of its seven flourishing Departments, namely: Art, Drama, French, Garden, Homemakers, Literature and Music.

The Club's pioneer work in securing legislation in Maryland and the District for Mother's Pensions was led by Mrs. Azro Cory; organization of the first Parent-Teachers Association in Takoma; forming of the Takoma Park Chapter of the Red Cross; establishment of the Student Loan Fund, now totalling \$630.00, and which is aiding five worthy girls to continue their college education, are but a few of the many achievements of the Club for the public welfare.

The past Presidents in the order of their service are: Mrs. Azro Cory, Mrs. C. B. Smith, Mrs. W. C. Gerdson, Mrs. R. A. Ramsay, Mrs. Otto L. Veerhoff, Mrs. Lloyd W. Biddle, Mrs. Walter Irely, Mrs. G. Albert Scott, Mrs. J. V. McNary, Mrs. Alexander Wetmore, Mrs. James A. Robertson, Mrs. Frederick C. Lincoln.

The Club has recently conferred the honor of members Emeritus upon those charter members who are now active in the Club. These include Mrs. Azro Cory, 1st President; Mrs. C. B. Smith, organizer; Mrs. M. K. Campbell, Mrs. LeBlond Burdett, Mrs. Jerome Hubbard, Mrs. Homer C. Skeels and Mrs. William Stuart.

The organization with Mrs. Frederick L. Pratt, President, stands ready now, as in the past, to cooperate with the other agencies for the welfare of Takoma Park.

TAKOMA PARK CHAMBER OF COMMERCE

On August 17, 1927 a group of men assembled at the call of Dr. J. Walter Dudley to give consideration to the organization of a business men's organization. The meeting

was held at 32 Carroll avenue and 27 men were present. After a free discussion on the desirability of having such an organization it was voted to elect temporary officers with Dr. Dudley as president; Louis Sherman, vice president; Arthur W. Nelson, secretary; J. Milton Derrick, treasurer, and Alex Sterling, business manager. R. D. Lillie, A. Glickman, Harry Troll, Dr. J. W. Voelker and Karl Krumke were named members of the executive board.

Permanent officers were elected on Sept. 26, 1927, as follows: H. L. Thornton, president; H. B. Hendrick, vice president; Arthur W. Nelson, secretary, and Albany D. Grubb, treasurer. It was voted to call the organization The Takoma Park Chamber of Commerce, and business men from both Maryland and the District living in Takoma Park are eligible to membership.

The Chamber of Commerce has as its main object the development of the community and throughout its life has sponsored many projects that have added to the happiness and material wealth of the residents.

Whatever the Chamber has undertaken it has been done in an outstanding fashion, notably its annual celebrations, annual dinners, Carroll avenue bridge dedication, welfare benefit and many highway improvements are due to the effort of the Chamber in cooperation with other civic groups of Takoma Park.

Gordon W. Bonnette succeeded Mr. Thornton as head of the Chamber and is now serving his fourth term as president. Mr. Thornton served two terms as president. The Chamber of Commerce meets each Fourth Wednesday of the month, except during June, July, and August.

COMMUNITY LEAGUE

The Community League of Takoma Park, Maryland, was organized at a mass meeting held in the old Takoma Park, Maryland, school building on Tulip Avenue on the afternoon of January 27, 1922. The declared purpose of the meeting was to improve the condition of the public schools in the town, and it was decided to form a permanent organization and to ask the Legislature of the State of Maryland to include the Town of Takoma Park in any school bond issue approved during the legislative session which was then being held.

The first regular meeting of the League, at which officers were elected, was addressed by the late Senator Edwin F. Ladd, an educator of national prominence, who came to the Senate from the Presidency of the North Dakota State Agricultural College.

Minutes of meetings held during the first year show that the League entered heartily

into the work of improving the town's school facilities and at the final meeting of the year there was reported the signing of a contract for the acquisition of the land upon which the new Elementary School Building now stands.

Continuing the work begun in the first year of its existence, the League has attacked with determination the many problems which have risen in the educational field, and has met with gratifying success in its efforts to remedy numerous injustices to which the townspeople had been subjected in times past. It has also been active in preventing the imposition upon our citizens of other burdens that would have been injurious to the general welfare of the town.

Viewing with considerable satisfaction its record of accomplishments during the past eleven years, the League believes that it may confidently hope to play an important role in the future in the steady improvement of the Takoma Park public school system, and to effect a corresponding betterment in those conditions which most vitally affect the life of the entire community.

Every adult resident in the town and the immediate vicinity in Maryland, is cordially invited to become a member of the League.

Mrs. Clarence B. Smith acted as chairman of the organization meeting held on January 27, 1922. The following have served as presidents of the League: Dr. Charles C. Galloway, 1922, 1923; Roy Y. Ferner, 1924, 1925; Ralph E. Gould, 1926; Dr. Galloway, 1927; Walter D. Lambert, 1928, 1929, 1930; Dana F. Angier, 1931; C. Leonard Boyer, 1932; S. E. Blassingham, elected for 1933.

LIONS CLUB

The Takoma Park Lions Club was organized in the fall of 1929 and on December 26, International Association of Lions Clubs.

The First officers of the club were Dr. W. A. Shannon, President; Gordon W. Bonnette, 1st V. President; H. B. Hendrick, 2nd V. President; Dr. J. W. Dudley, 3rd V. President; Doran S. Platt, Treasurer; D. D. Lamond, Secretary; Dr. E. Clyde Shade, Lion Tamer; and J. Milton Derrick, Tail Twister. Lions Bonnette and Platt have also served as President and Lion Dudley is now serving in that capacity.

The membership of the club is comprised of business and professional men of Takoma Park, limited to one member of any such business or profession.

The location of the club is novel comprising among its members business and professional men located on both sides of the boundary line between Maryland and the District of Columbia. In view of this

novel situation, a Lions Club metal sign was placed on the District Line at the corner of Carroll and Eastern Avenues, bearing in addition to the Lion's emblem the words Takoma Park, Md.-D. C.

The club has been active in relieving suffering locally in furnishing aid to needy and worthy families and has sponsored various activities looking toward making the community a better place in which to live.

TAKOMA HORTICULTURAL CLUB

From the very beginning of the founding of Takoma Park it attracted men who devote their lives to agricultural and horticultural pursuits and after a number of years of informal gatherings there was organized here the Takoma Horticultural Club in the winter of 1915-1916. Dr. Daniel N. Shoemaker was its first president and Lisle Morrison the first secretary of the club.

At first the main purpose of the club was to encourage ornamental plantings but when the World War came on the club devoted its energies to development of community vegetable gardens. It is now devoted to all phases of horticultural development. The club has tried to help its individual members in the following ways:

1st. By furnishing an advisory committee who are willing to help with problems as they arise.

2nd. It has a landscape architect whose services are at the command of members planning home grounds.

3rd. It has purchasing committees by which members can save more than their annual dues in cooperative seed, bulb, plant and fertilizer orders.

4th. It has arranged for the exchange of surplus plant material among members through an exchange committee.

It has aided in community development through the following methods:

1st. By holding annual exhibits, including Narcissus, Tulip, Iris, Rose, Gladiolus, Fruit, Flower and Vegetable, Dahlia and Chrysanthemum shows. Thousand of people attend these shows, which are free both to exhibitors and visitors.

2nd. By securing cooperative planting of street trees, or ornamentals in parkings thus making uniform treatment for certain blocks and streets.

3rd. By holding pruning and spraying demonstrations.

4th. By presenting a series of lectures on various topics bearing on all phases of gardening.

The club meets each fourth Monday at 7:30 p. m. at the local branch of the Public Library.

Immediately thereafter the mayor and council authorized the newly organized fire department to operate and maintain the small pumper engine owned by the town. Before a year had rolled around a new Reo combination pumper engine was purchased.

In the fall of 1927 ground was broken and building operations started on the new brown stone \$45,000 home of the department at Carroll and Denwood avenues. The first meeting in the new building was held on February 27, 1929, although much work remained to be done to complete the handsome structure.

WASHINGTON SANITARIUM

To trace the history of an institution requires that we look into the past, where we may find the place of its origin or its birthplace. Its beginnings may at first be found as only a dream or a profound conviction of a great need in the mind of a man or a group of men carrying the responsibility of a large and growing work. The Washington Sanitarium and Hospital at Takoma Park, Maryland, was thus born.

B. F. Gilbert, the former owner of the present site of the Washington Sanitarium and Hospital for years cherished the plan of having on this very spot a medical institution, and he finally succeeded in securing the cooperation of a celebrated physician of New York to build such an institution, but the financial troubles of 1893 prevented the consummation of his plan.

However, it was a source of the greatest satisfaction to Mr. Gilbert in his declining years to know that persons skilled in the treatment of disease, should verify his judgment in selecting this as an idea spot on which to erect a sanitarium.

Established in 1904

In 1904 the Washington Sanitarium was only a definitely planned objective.

Here, as in all worthy endeavors, patience and continuity of effort brought success, and from the favorably situated but primeval forest along beautiful Sligo Creek, approximately eight miles north of the Capitol, there appeared in stone and mortar an institution dedicated to the prevention and cure of disease, the training of missionary nurses and the dissemination of the gospel of health by example, by education, and the printed page.

With a considerable degree of success these aims were achieved. Two buildings adorned the campus, one a nurses' dormitory and the other the main sanitarium building with rooms for approximately 40 patients, when the doors were first opened on June 13, 1907.

A quarter of a century has come and gone. Where the two physicians first employed found time to spare to other than medical duties, today eight physicians are employed, and many physicians of the surrounding territory frequently send cases that they recognize can be especially helped by our institutional program.

Where there were two buildings at the beginning, 19 buildings now are united to provide a complete medical plant; not 40 beds but 170; not a handful of employees but a band 250 strong.

BLISS ELECTRICAL SCHOOL

The Bliss Electrical School has a world-wide reputation and stands high in its particular field of endeavor. It was organized in 1893 by Dr. Louis Denton Bliss, and for fifteen years was a Washington institution. In the early part of 1908 Dr. Bliss purchased the Takoma Hotel, containing 160 rooms, and remodeled it to meet the requirements of the school. A fire completely razed this building in the fall of 1908, but plans were immediately made and put into execution for a new building on the site of the former hotel and in 1909 one wing of the present administration building was completed and in 1912 the present administration building was completed. Despite the disastrous fire in 1908 there was no interruption to class work. Quarters were secured in the old Presbyterian Church and classes conducted there until the new building was ready.

Bliss Electrical School's first class numbered but 20 men. Since then men have come from the far corners of the world to attend this famous short term institution that numbers among its alumni men outstanding in the electrical field. Recent classes have numbered as high as nearly five hundred and practically all of the States of the Union have been represented in the classes of the school. The course is for one year and combines technical and practical instruction.
